FLAME GRILLED
PERI-PERI CHICKEN

Our Peri Peri chicken is:
Never frozen, always fresh. Marinated overnight in our special Peri Peri sauce to soak up all the great flavours. Cooked over our flame grill for a healthier, low fat option.

How do you like it?
We can make it HOT or with Lemon and Herb. You can have it as a butterfly boneless breast, half a chicken or a burger in a bun or wrap with lettuce and mayo.

Flame grilled - a healthier option:
When we flame grill our Peri Peri chicken it reduces the fat content making it a "lower fat" take-away meal, but still retaining the great taste.
